

## Changes to Kogan Car Insurance Product Disclosure Statement

**We've made some changes to the wording of our Car Insurance product. The new wording is in the new Kogan Car Insurance Product Disclosure Statement (PDS) dated 1 February 2021, which replaces any previous Kogan Car Insurance PDSs.**

We've made these changes to clarify the policy wording – they are not intended to affect the cover provided.

Please note that this notice is not part of your insurance contract with us and does not take your personal circumstances into account. To see if the insurance is right for you, please read the new PDS, your Certificate of Insurance, and any other documents relevant to your policy that we tell you form part of the contract with us. These documents will set out the terms and conditions, limits, and exclusions of your insurance contract with us.

The new PDS will apply to:

- new Car Insurance policies issued on or after 2 March 2021
- existing Car Insurance policies renewed with an effective date on or after 1 April 2021.

If you have any questions regarding these changes or if you want a copy of the PDS, please talk to our friendly customer service team on 1300 034 888.
